

## ABOUT MKMRS

Run entirely by volunteers, Milton Keynes Model Railway Society (MKMRS) has been a home to railway modelling since 1969. Based in Bletchley, adjacent to the West Coast Main Line, we are an active club and always welcome new members.

We aim to meet the interests of all railway modellers. Our N and EM scale exhibition layouts are permanently available to us (when not visiting exhibitions) and new test tracks on which vintage trains (Hornby O gauge, Bing, Bassett-Lowke, etc.) can operate have been installed.

A new OO layout to incorporate both analogue and DCC operation is being developed alongside a new O gauge terminus-to-fiddle yard layout for which the baseboards are under construction. Following our change of premises in 2012, we aim to be fully up and running in all the popular scales by the end of 2013.

We hope you enjoy what we do and look forward to seeing you at our exhibition.

## MEMBERSHIP

Whether you're a novice or an experienced modeller, we are always pleased to welcome new members to MKMRS. Membership is available to anyone over the age of 16.

However, if you are under 16 and interested in joining us, do please email [webmaster@mkmrs.org.uk](mailto:webmaster@mkmrs.org.uk) to tell us as we are considering development of a youth project.

Membership runs from 1st Jan each year and currently costs £10 per month, paid on a monthly direct debit.

## GIVE US A TRY

Prospective members are welcome to contact our Secretary to arrange a free 'no obligation' trial evening at the club.
